

Slant Bar Feeder Panels

Economical feed line fencing

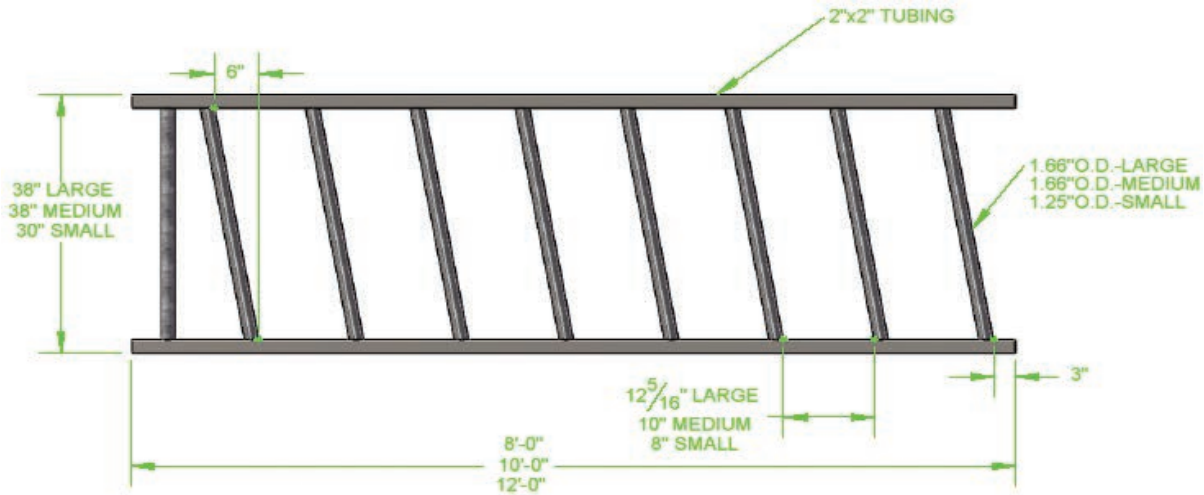

engineering for
a better world

gea.com

Slant Bar Feeder Panels are constructed of heavy-duty galvanized steel and offer versatile mounting systems. They are designed to reduce feed waste, and are available in calf, heifer and cow sizes.

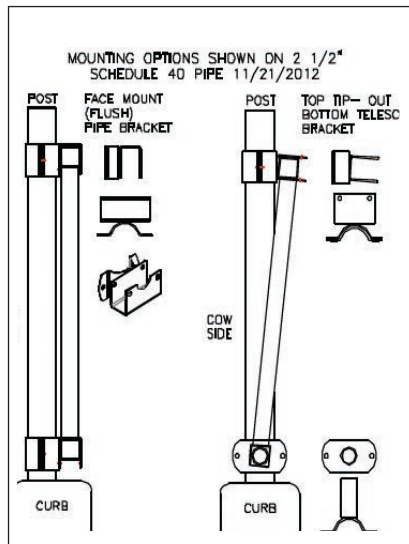

2" square high-tensile strength horizontal tube — will span up to 12 ft. in length.

1.66" round high-tensile strength vertical tube — enhances animal comfort.

Versatile mounting systems

fit all types of feed curb posts and are easy to install.

Feed rail mounting system

Adjustable extended pipe mount

Wood mounting option
