

# Liquid Clean™

## Liquid Chlorinated Alkaline Detergent

Liquid Clean is a liquid chlorinated alkaline cleaner designed for cost-effective use in many types of dairy systems.

### Features and Benefits

- **Effective Formula**

Cost-effective formula performs excellent detergent action in a variety of dairy systems. Works great in automatic dispensing systems.

- **High Chlorination**

Provides quick and thorough removal of butterfat and milk protein soils from milking equipment.

- **Phosphate Free/  
Environmentally Friendly**

Liquid Clean is biodegradable and dissipates in sanitary systems.

- **Rinses Quickly**

With low-foaming qualities, Liquid Clean rinses free with no residue.

- **Safe**

Safe to use. Non-corrosive to stainless steel, glass, plastic or rubber parts when used as directed.

- **100% Customer Satisfaction**

All GEA Farm Technologies hygiene products have a 100% Customer Satisfaction Guarantee.

# Liquid Clean™

Liquid Chlorinated Alkaline Detergent

## Directions for Use

### For cleaning pipelines and milk tanks:

1. Rinse pipeline with clean, warm 110°F (43°C) water immediately after use or as soon as tank is emptied
2. Prepare a fresh wash solution in hot 160°F (71°C) water. The amount of Liquid Clean required for proper cleaning is related to water quality and system design. Recommended dilution: One ounce (30 ml) to 3 gallons (11.3 L) of water. Dilution may need to be adjusted depending on water hardness. Please consult with your GEA Farm Technologies dealer or hygiene specialist. Circulate wash solution for 10 minutes or until temperature drops below 120°F (49°C).
3. Follow with an acidification rinse using a GEA Farm Technologies acid and drain thoroughly.
4. Prior to milking, sanitize with a GEA Farm Technologies sanitizer according to local health department regulations.

Store this product in a cool, dry area, away from direct sunlight and heat to avoid deterioration. Keep containers closed to prevent contamination of this product.

## Product Properties

<b>Appearance:</b>	Clear, light yellow liquid
<b>Odor:</b>	Chlorine
<b>pH:</b>	12.3 (1 oz./gal. water)
<b>Specific Gravity at 77°F (25°C):</b>	1.2 (water = 1)
<b>Solubility:</b>	Complete at recommended use dilutions

## Ordering Information

### U.S. (only)

SKU	Description
7751-0041-152	Liquid Clean - 5 gal. pail (18.9 liters)
7751-0041-153	Liquid Clean - 15 gal. drum (56.7 liters)
7751-0041-158	Liquid Clean - 55 gal. drum (208 liters)
7751-1000-498	Liquid Clean - Literature (pkg of 20)
